

APPOINTMENTS

We value your time so you can expect us to see you at the appointed time and to keep your time spent in our office as short as possible. In return, when you make an appointment with us please be on time since we have reserved our time just for you. Please make every effort not to change your scheduled appointment. If you must change your appointment, please provide us 2 working days advanced notification so that we may use our time to accommodate other patients. Broken and missed appointments create scheduling problems for other patients and our practice. We value your time, please value ours. **There is a cancellation fee of \$75.00 if less than 24 hour notice.**

FINANCIAL POLICY

Unless another financial option is PRE-ARRANGED, payment in full is due the day of treatment or on pre-op visits for sedation appointments. Should a patient have dental insurance with assignment to Dr.Silverman, the estimated patient portion will be the amount due. Insurance payments without assignment will be sent to the insured with payment due in full.

Payment Options:

1. For your convenience we accept Cash, Check, Visa, MasterCard, & Discover.
2. We also offer short and long-term financing options. (Interest-free options may apply)

For Patients with Dental Insurance

Dental insurance plans often pay less than the actual fee for service, therefore the patient or Guarantor is the responsible party for all dental services provided. Dental insurance in most cases is a benefit with limitations and should not be expected to take care of all costs. Your dental benefits and how they relate to your specific needs will be explained to you during the Treatment Discussion appointment.

Finance Charge and Fees Balances in excess of 60 days are subject to a finance charge of 1.5% per month (18% annual). Returned checks are subject to a \$30.00 accounting fee.
